

Making a Secchi Disc

You will need

- 🍏 CD, lid or something similar
- 🍏 Felt tipped pen
- 🍏 String
- 🍏 Paper clips
- 🍏 Pliers
- 🍏 Washers or fishing sinkers
- 🍏 Secchi disc template

Steps

1. Colour the paint tin lid or plastic circle etc, with a permanent black felt pen according to the design (see Attachment 1)
2. Bend a Paper clip so that it can be threaded through the middle of the CD
3. Thread washers, nuts or sinkers on to the paper clip after threading through the middle of the CD. Use Blu-Tack to secure the Washers/Sinkers firmly in place
4. Tie string onto Paper clip threaded through CD
5. Your Secchi disc is now ready to use
