Childcare Centre Shoal Court Childcare Community Darwin

Number of children 2-4 years old: 12

Topic: <i>Learning Numbers</i>				
Time	Description What will the children be doing?	Learning What will young children learn from doing this activity?	Resources What do you need to do the activity?	Risk Assessment What are some of the dangers and how can they be reduced?
10 mins	<i>Counting song. Counting on our fingers while singing the frog song that counts from 1-10. One noisy frog, sitting on a wall, calling to his friends croak croak call call, Along comes another frog bigger than the other frog. Two noisy frogs, sitting on a wall"</i>	<i>Counting from 1-10 Using their fingers to count to 10</i>	<i>Childcare Worker must know all the words to the song</i>	<i>None. Children can sit quietly in a circle on the mat.</i>

Describe the process or order in which you will deliver the activity

Step 1	<i>Sit the children in a circle on the mat</i>
Step 2	<i>Child Care Worker will sing the song and do the actions for children first</i>
Step 3	<i>Child Care Worker will ask children if they would like to learn the song</i>
Step 4	<i>Sing the words slowly with children and do the actions at the same time</i>
Step 5	<i>Sing all together and do actions</i>

Reflect on your activity and answer the questions below

	Yes/No	Comment
Did children like your activity?		
Did your activity go to plan?		
Would you change your activity next time?		
How could you make your activity better?
