Planning For Making Your Resource

Steps	What you need to do	Ideas and Actions – write your actions for each step here
Step 1	Decide for which class you are interested in making a resource.	
Step 2	Organise a time to talk to the class teacher and/or assistant teacher.	
Step 3	For what topic has the teacher suggested you make a resource? (Math, Music, Reading, Writing?) Write down any suggestions the teacher/assistant teacher gave you.	
Step 4	Research your topic and come up with a list of ideas for making resources. If you are using the Internet write the Internet addresses of the sites on which you have found good ideas or print them to show the teacher. You might also like to work with the assistant teacher to make your resources.	Ideas for resources 1. _____ 2. _____ 3. _____ 4. _____ 5. _____
