

## **Servicing the Community – Bank Tellers**

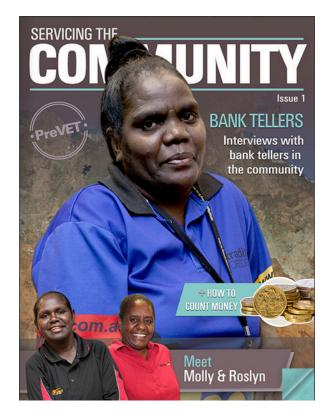

This module gives students examples of how they can have a job servicing the community.

### Magazine with activities

Raelene and Roslyn are Member Service Operators for TCU in Darwin and Molly works for ALPA in Ramingining. Their jobs involve looking after people's money in banks and at the store.

#### Students will learn:

- the type of work tellers do to service the community
- the paperwork and identification required to open an account
- how to count coins and notes, and balance and calculate a float
- completing a withdrawal slip
- counting back the correct change.

#### **Curriculum Links**

PreVET reinforces and authentically contextualises curriculum learning. For detailed mapping, see <u>5a-curriculum-mapping.xlsx</u>

#### Australian Curriculum Prior Learning

- English: Receptive mode Students compare and analyse information in different texts, explaining literal and implied meaning.
- Mathematics: Students represent money values in various ways. They correctly count out change from financial transactions.

#### T-9 Net Diagnostic Continua

- Reading: Breaking the written code, Making meaning, and Using text.
- Numeracy: Operating & Calculating, Understanding numbers and how they work.

#### Australian Core Skills Framework

- Reading, Oral Communication, Writing Levels 1-3
- Numeracy Levels 1-2

Key Points: - Withdrawing an amount of money - Counting change from a purchase  Activity Worksheet: counting-change.ppt                                                                                         | Withdraw<br>Withdrawal<br>Balance<br>Tendered<br>Account                                          | Before the students try 'counting back' the change, there is a power point in the <i>More info</i> link. This would be good to do as a class. This is an excellent activity to have students practice with fake money.  Cashed Up For money teachers could use the resource sheets from Rolling in the Dough – this activity has \$10, \$5 and coins. Or - Play money is available from educational supply stores. It is also readily available on eBay. This game could be extended to an actual game of Monopoly as a reward for students.                                          | 5A.S3.A2 Jungle<br>Coins<br>5A.S3.A3 iCan<br>Count Money<br>Australia<br>5A.S3.G1.1 Cashed<br>Up                 | 1, 7, 8, 9     |
| Lesson – Sausage Sizzle | Since Operator B Bank Teller  Bengang Sign  Land Committee Committ | In this lesson, students conduct a sausage sizzle (or similar) in order to explore money skills in a real-world environment.                                                                                                                                                                           | Denominations<br>Float                                                                            | Have students prepare percentage discounts on prices before they sell – in case they have sausages left over that they need to get rid of.  Have students research the best place to buy their sausages – e.g. supermarket vs butcher.  Work out the ratio of sausages to students at the school.  Have a focus on profit and loss – what it means and how to calculate it. This then could be added to the worksheet for the activity.                                                                                                                                               | 5A.S3.A4 Lil' Kitten<br>Shopping Cart Game                                                                       |                |
